Disclaimer:

Liability for contents

All contents of our website have been prepared with the greatest care and to the best of our knowledge. However, we cannot guarantee the correctness, completeness and up-to-dateness of the contents. As a service provider, we are responsible for our own content on these pages in accordance with the general laws pursuant to § 7 para. 1 TMG. However, according to §§ 8 to 10 TMG, we are not obliged as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information in accordance with general laws remain unaffected by this.

However, liability in this respect is only possible from the point in time at which a concrete infringement of the law becomes known. If we become aware of the above-mentioned infringements, we will remove this content immediately.

Limitation of liability for external links

Our website contains links to external websites of third parties. We have no influence on the content of these directly or indirectly linked websites. Therefore, we cannot guarantee the correctness of the contents of the "external links". The respective providers or operators (authors) of the sites are responsible for the contents of the external links.

The external links were checked for possible legal violations at the time of linking and were free of illegal content at the time of linking. A constant review of the contents of the external links is not possible without concrete indications of a violation of the law. In the case of direct or indirect links to the websites of third parties that lie outside our area of responsibility, a liability obligation would only exist in the event that we become aware of the content and it would be technically possible and reasonable for us to prevent its use in the event of illegal content.

This disclaimer of liability also applies to links and references set within our own internet presence "squilio.com" by questioners, blog contributors, guests of the discussion forum. For illegal, incorrect or incomplete contents and especially for damages resulting from the use or non-use of such information, only the service provider of the site referred to is liable, not the one who merely refers to the respective publication via links.

If we become aware of any legal infringements, we will remove the external links immediately.
